* Typical finance example prices for illustrative purposes only and subject to acceptance, terms and conditions. FGES can not guarantee customers will qualify for the rates shown as they may vary according to status. Shorter terms are available on request. Typical finance example figures are based on the total amount payable divided by 260 weeks. Total will be payable as 1 + 59 monthly payments. Prices do not include VAT @ 17.5%. Prices include delivery and installation at a prepared site but exclude any civil or mains electrical work required. Whilst every effort is made to ensure that the information contained in this price list is accurate, FGES will not be responsible for any errors or omissions. FGES reserve the right to withdraw any price without notice. This price list supersedes any previous price list. Written quotations and terms and conditions of sale are available on request.
